

MATERIAL SAFETY DATA SHEET

1. PRODUCT NAME	:	MICA
2. PRODUCT IDENTIFICATION	:	M.S.D.S. NO: FMCPL7
3. MANUFACTURER	:	PARADISE MINERALS
4. ADDRESS	:	221 RUNWAL HEIGHT, L.B.S. MARG, MULUND(W) – 400080
5. EMERGENCY PH. NO	:	25908265
6. CAS. NO.	:	012001262
7. SYNONYMS	:	Mica, Mineralite 3x
8. HAZARDOUS IDENTIFICATION	:	in case of inhalation very Hazardous & very slightly hazardous in case of eyes & skin Contact & slight irritation.
9. FIRST AID MEASURE	:	Flush eyes immediately with running water 15 Minutes, In case inhaled allow victim to rest in a well ventilated area
10. FIRE FIGHTING MEASURE	:	Material is non combustive, non flammable.
11. HANDLING & STORAGE	:	Keep Looked up. Do not ingest. Do not breathe dust, wear suitable protective Instrument (clothing, goggles) in case of Handling & storage
12. PHYSICAL/CHEMICAL PROPERTIES :		off white, odourless Powder. Ph of 1% Solution: 5.5 Acidic, melting Point: 1433⁰C. sp gv : 2.73, Insoluble in hot & cold water
14. STABILITY & REACTIVITY	:	The Material is stable & non reactive heated to 825⁰ C decomposed Calcium Oxide fumes and Liberates carbon Dioxide gas.
